Attached are directions to the lab.

I find it difficult to describe, so the following are simplified directions for Chuck (UMass Alum).

From Amherst center go north on North Pleasant St.. Take a right across from the Newman Center onto Infirmary Way. Take a left just after Hills at Clark Hill Road. At the stop sign turn right onto Stockbridge Road. We are about 100 yards on the left. There is lawn sign saying 181 Stockbridge Road and the building says Western Mass. Public Health Center over the door. Turn left at the driveway after the building and park in the upper lot where the sign says "State Laboratory Deliveries permit required". Go in the corner door to room N253.
